Summerfield Guest House Access Statement

Welcome to Summerfield , one of the best-established Guest Houses in Bridlington, with a five-star approach to customer service.

Summerfield is a traditional, classic Guest House organised around creating great memories and experiences for our guests, we are resident owners who are committed to providing excellent service.

At Summerfield you will find attention to detail and the desire to provide value for money is reflected in all we do. From serving a full English, or a selection of your choice from the menu, served in the dining room each morning. The guest House offers 8 comfortable, en-suite bedrooms.

We have a variety of accommodation with double, twin & single bedded rooms, including a double en-suite ground floor room. We also have secure cycle storage & charging facilities for mobility scooters on site.

We always aim to provide a welcoming environment where our guests can relax & enjoy all the many attractions that Bridlington has to offer.

Getting Here

Our business address is Summerfield Guest House, 6 Summerfield Road, Bridlington,
East Yorkshire, YO15 3LF.

Directions are available by calling us on 01262 677791 or you can use the map and directions on our contact page.

We are situated within the Hilderthorpe Conservation Area, near the town centre and only about 50 meters from the beautiful South Beach and Promenade. The popular Spa Theatre Complex is only a few minutes level walk away.

The Guest House allows good access to public travel for guests without their own transport as both Train & Bus stations are situated within the town.

Parking

Free on-street parking is available outside the Guest House and the nearby surrounding area, but this is not a facility that can be reserved. Due to variable availability all spaces directly outside the guesthouse are accessible on a first come first serve basis, but most people can easily find parking within a few minutes level walk.

There is a side driveway at the property that can be used as a drop off point, or to load or unload luggage if required.

There is a small garage accessed via the driveway where we can facilitate the storage and recharging of mobility scooters & store cycles.

Bus Travel

EYMS is the main local bus company, and it operates from Bridlington Bus Station, Princess Terrace, YO15 2RA situated in the town centre approximately one mile away. The nearest stop to us is on Cardigan Road three minutes level walk.

All new buses which were built after 1st December 2000 must comply with the safety criteria to allow access to wheelchair users.

Rail

Bridlington Railway Station: Station Approach, Bridlington, YO15 3EP is approximately 1 mile away. It is located on the Yorkshire Coastline and is operated by Northern Rail who provide all passenger train services. Access Station information, train times etc. via www.nationalrail.co.uk
www.northernrailway.co.uk/stations/bridlington

The station is staffed part-time, please check opening times via their information site. Facilities include a waiting room, ticket office, lost property, and car park. Wheelchair access is not complete due to a bridge to platform 4, (for Scarborough), meaning access to that platform is via a barrow crossing on the track which may require staff assistance. After the ticket office has closed please call Assisted Travel on 0800 138 5560, for advice on alternative accessible transport arrangements in advance of your journey.

Step free access from car park to station entrance.

A ticket-vending machine has been installed inside the concourse.

There are direct services from the station to Sheffield, Doncaster, Hull, York and Scarborough with stops at stations en-route.

For Passenger Assistance Please Contact Great Northern Access Information by calling on 0800 138 5560 (Text Relay 18001 0800 138 5560), which should be booked in advance of your journey.

Access at Summerfield Guest House Entrance

There are two steps into the guest house reception measuring 14 cm & 21 cm respectively, a ramp is available on request. Entrance hallway has a door width of 81 cm. An Outline Plan of the building is displayed in the entrance hall.

Dining

The Dining Room is situated on the Ground Floor & has level access, door width 75 cm.

Bedrooms

We have one ground floor, double en-suite bedroom with access suitable for people with limited mobility; it has with 75 cm minimum door width.

The room & en-suite is not suitable for full time wheelchair users, guests need to be able to walk a few steps around the room & into the shower room. The en-suite door access is 62 cm wide, shower door access 55 cm with a 12 cm step into the shower. Shower stool available on request.

There are three, en-suite first floor bedrooms, two double rooms & one twin bedded room.

There are four second floor, en-suite bedrooms, one double room with dressing room, & three single rooms. The en-suites in the the double and single front bedrooms are accessed by one small step up.

Stairs

The Staircase to the first floor has fifteen steps, there is also a half landing with two further steps to two of the first floor bedrooms. The Staircase to the second floor also has fifteen steps. **The stairways form the fire escape route for the Guest House;** therefore, guests accommodated on the first & second floors of the property should be able to use the stairs appropriately in an emergency.

Please Note There is **NO** passenger or stair lift facility available at the Guest House.
